

Bling Ball launch

Burswood's newest ballroom the **Astral**, was host to the cocktail party launch of the **Ronald McDonald House Charities and Mercedes-Benz Bling Ball 2007**. A red-carpet entrance, sparkling drag queen performance and Dreamgirls taste set the scene for what's to come at the ball evening on November 10. Last year's ball raised \$450,000 and this year is shaping up to be another amazing effort with the mini auction already raising \$25,000. VIP guests included patron **Adam Gilchrist**.
